Dear Congressman LoBiondo:

I am writing in support of the Aloe Street project in Hamilton Township submitted by Atlantic County for consideration as a High Priority Project in the upcoming reauthorization of SAFETEA – LU. Atlantic County is seeking \$3,000,000 in federal funding for the project, and is confident that if funded, it can be constructed within five years.

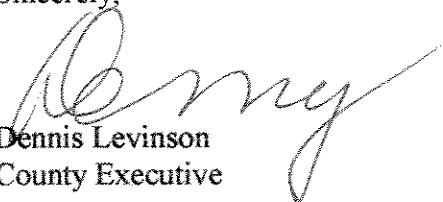

Atlantic County fully supports the Aloe Street project.

Should this project be included in the SAFETEA – LU reauthorization, all of our public involvement procedures for the Transportation Improvement Program will be maintained, including formal public notice, website posting, and presentation at an open public meeting.

At this point, no other federal, state, local, or private funding sources are anticipated to be used to advance this project.

Thank you for your consideration of this critical project, and please do not hesitate to contact me for further information.

Sincerely,

Dennis Levinson
